

Pack-Media network

News and facts from the real world of packaging via web

The network of the Pack-Media publishing house has been renewed in form and content in order to keep up with the technological evolution and the information needs of the global packaging industry.

A digital platform that becomes a service hub, consisting of 4 sites in Italian and English, with over 33 thousand html pages dedicated to packaging, bottling, packaging design, where information is published that touches the most significant issues for producers and users in these sectors: from sustainability to the digitalization of products and processes.

The Pack-Media digital platform includes:

- italiainballaggio.it, ItaliaImballaggio webmagazine (in Italian);
- packmedia.net, Packmedia International webmagazine (in English);
- packbook.it, PackBook, buyers' guide online (in Italian and English);
- packagingspeaksgreen.com, "sustainable" webmagazine (in Italian and English).

MEDIA KIT 2023

Italiaimballaggio webmagazine is the site in Italian that offers daily updates on the national and international packaging industry.

Italiaimballaggio webmagazine means first of all verified and updated contents, market information and trends, focus on important events, videos, specials, fairs calendar.

Every month the monthly magazine Italiaimballaggio is published on the site in a browsable PDF format, as well as all its contents in Italian in HTML format, to facilitate the best indexing on search engines.

The contents of Italiaimballaggio webmagazine are promoted with monthly newsletters, sent to over 70 thousand trade operators worldwide.

PackBook & Packaging Buyers' Guide is a practical and useful platform, a print and digital media, to meet the needs of users to find new technology suppliers.

PackBook Community is the site in Italian and English dedicated to the presentation of about 900 companies, with up-to-date merchandise and news about packaging materials and machines.

+ complete + multimedia + international

PackBook by ItaliaImballaggio: for 23 years the only yearbook in Italian and English for the processing and packaging industry.

+ complete

+ companies + types of search (company, commodity, target sector, keywords).

+ multimedia

+ easy to consult the paper directory | + new website for better indexing by search engines | + visibility thanks to the recall (link) in all the news of the advertiser company published on ItaliaImballaggio.it and Packmedia.net | + promotion with dedicated space in the newsletters of ItaliaImballaggio and PackMedia.

+ international

+ diffusion at the main Italian and international trade fairs. Discover the different sponsorship options so as not to miss the opportunity to be found by potential customers. For further information, see the PackBook Media Kit.

Packaging Speaks Green webmagazine

The history and skills of Ititaliaimballaggio, packmedia.net, Macplas and Macplas online come together to provide its readers with a new webmagazine dedicated to the sustainability of the entire industrial chain.

This encounter has led to the creation of an editorial product that talks about technology, raw materials and packaging in a perspective of circular economy.

The aim is to give voice to the most innovative and functional solutions of today and tomorrow.
